

## Do You Believe God Is A Woman?

### The Essence Of Strong Delusion

Before [time](#), the Chief Seraph ruled and reigned with God Almighty. She was the sum of all beauty, perfect in wisdom, and the anointed cherub meant protect Eden. She dwelt with YHWH in the sides of the north on the mount of the congregation.

## God says this about the Angel of light,

"Thou hast been in [Eden the garden of God](#); every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created."

Ezekiel 28:13

God created Lucifer perfect. However, by reason of the brightness of her beauty, she corrupted herself and unrighteousness was found in her. From that day and forward, there has been [war in heaven](#). The [Chief Musician](#), God anointed Seraph, seduced a third of the heavenly host, including some of the arch angels, to follow her. This is why we see over and over, woman who seek power, seducing powerful men to do their bidding. Luci, mad with jealousy, rage, and vengeance declared "I will ascend into the sides of the north and exalt my throne above the stars of God. I will make myself like the most high".

## The domination of man

Luci seeks to dominate mankind. She wants to subjugate, torture, and ultimately damn all of humanity. This fallen Seraph rages against the daughters of Eve, because they can bring forth the Children of God. The Devil persecutes the sons of Adam, because they are created in [YHWH's image](#). Lucifer literally hates everyone and everything.

The Antichrist attempts to sit in the holy of holies and declare himself to be God. The majority of what we witness in politics, television, movies, and music, is designed to perapre us to worship Lucifer. Darkness is being hailed as light and light is being maligned as darkness. We are now deep into the final stages of [Strong Delusion](#). Lucifer even wants you to believe that God is a woman.

## Making Herself like the most high

The New World Order, which is now largely in place, is designed for only one purpose; to worship Satan. The [global elites](#) are about to empower the image of the beast to dominate humanity.

The first World War was sold to people as "the war to end all wars", leaving 41 million people dead. Yet, only 21 years later, the second world war erupted, killing more than 55 million. In the Antichrist wars to come, in ways never before witnessed, hell is going to open up its jaws and swallow a large portion of humanity. The Four Horsemen of the apocalypse foretell of war, disease, and famine on an unimaginable scale. [Hitler](#), and very other despot before or since, is merely a shadow of what the son of perdition will unleash upon our world.

**How are you going to fight [Strong Delusion](#)?**

We live in Strong Delusion. Right now, a vast majority of earths population, actually is willing to

accept that God is a woman. Mother earth, Gaia, and Mother nature all make sense to most of humanity. This is antithetical to everything that God is for He is the **one and only** heavenly Father. Yet, Lucifer, who is the equivalent of female, is seducing the earth through sexuality just like she seduced the stars of heaven.

God says,

" For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect. Behold, I have told you before."

Matthew 24:24,25

## **All the world is her stage**

Lucifer is in the final stages of implementing her grand delusion. The Devil is not really hiding who she is or what she wants any longer. When she sings, dances, or performs on-screen, many flock to see her talent and beauty. Under the antichrist, all the world is going to be a stage where the [chief musician performs](#). This is the same thing which happened when the King of Babylon decreed that all peoples and lands should bow down to his golden image. Ariana Grande performs the music video "God is a Woman" to which approximately 34,000,000 have bowed down in just 7 days from the date of first publishing it on YouTube. As Solomon said, "there is nothing new under the sun".

This decent into darkness is not a gradual process any longer, we are witnessing a steep and dramatic rise in evil. People manifest the spirit of Antichrist in ever more revealing ways. The new music video "God is a Woman" is an example of this type of stunning demonic confession. Soon, lucifer will openly declare who she is, causing all the world will wonder after the Beast.

## **God is our heavenly, holy Father and definitely not a woman**

In conclusion, allow the [Holy Spirit to reveal His truth to you](#), In reality, I only tell you what I see inviting you to draw your own conclusions. I believe Adriana singing "God is a Woman" is as a sign of our times. The Chief Musician is declaring who she is and what she wants. Lucifer, the first one to [weaponized sexuality](#), is again using her eroticism to seduce and gain power over others. This

is the anti-Tabernacle move of the demonic realm, don't fall into her trap.
