

Spread Your Wings

Press into God

Have you ever wondered why people open their arms wide during worship? It is because, as [Seraphim](#), we are opening ourselves up to our heavenly lover. Have you ever considered why Kari encourages you to "Press Into" God? It is because YHWH wants to feel and [experience our love](#).

The mystery of the Seraphim is that we are the wife of the All Mighty. Our love relationship on earth, foreshadows our [love relationship with YHWH](#) in heaven. All the intimate language and behavior during worship service is because we are loving God in a very real sense.

Spread your wings

The mystery of the church is that we are [Seraphim](#). God made us to become His queen and join the household of the Most High. We will join with and be one with God in the mount of the congregations in the sides of the north. God destines us, in Christ, to sit at His right hand and rule and reign forever. This is what the millennium portrays.

A deeper level of true worship is to allow God to manifest through each one of us and love each other as the Holy Spirit leads. As we allow [God the love us through one another](#), we truly become what YHWH meant us to be.

In conclusion, it is a time of intimacy, as time to spread your wings. Don't be surprised when your thoughts turn towards becoming one with our God. We are created for intimacy, spread your wings and [embrace our God and each other in Divine Love](#).

Jesus says,

"Neither pray I for these alone, but for them also which shall believe on me through their word; That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me. And the glory which thou gavest me I have given them; that they may be one, even as we are one:"

John 17:20-22
